From the President

On March 23rd, I joined other members of the Saratoga, Rensselaer and Albany Leagues of Women Voters at Lobby Day at the Legislative Office Building in Albany. We spent a busy day meeting with our elected representatives to lobby for three specific issues related to the 2015-2016 Budget Bills before the legislature.

The three issues were ethics, campaign finance reform and the education investment tax credit. Governor Cuomo had connected all three issues to the passage of the budget bill. Here's what we lobbied for on each of these issues:

The League **supported** these Ethics Reform points:

- More complete disclosure of the outside earned income.
- Banning income received for services or referrals for legislative matters
- Per Diem reforms requiring receipts.
- Pension forfeiture for elected officials convicted of public corruption, subject to judicial review

The League **supported** these campaign finance reforms

- Reduction of contribution limits, restriction of contributions to housekeeping accounts, restriction on transfers from party committees to candidates, closure of the LLC loophole and clarification of the ban on personal use of campaign funds
- Public financing in New York state elections, reduction of campaign contribution limits to levels more consistent with federal limits and limits imposed by other states, limits on those doing business with the state, full closure of the LLC loophole, limiting candidates to one campaign committee
- Strong enforcement of these reforms by the State Board of Elections with the Attorney General having concurrent jurisdiction to prosecute criminal violations

The League **opposed** the Education Investment Incentives Act proposed in the Governor's budget which would provide tax credits to individuals and corporations for donations to private and public schools of their choice because

- it thwarts the allocation of education aid through a democratic and transparent process
- it is a regressive tax measure
- it would siphon off millions of dollars from the general fund, leaving less money for education and with no guarantee of increased funding for high-needs public schools.

The State budget passed on time but decisions on many of these issues have been deferred. We will be back in Albany in April or May, lobbying for issues of importance to the League. Why not join us next time, or if you cannot travel to Albany for the day, write or call your representatives to let them know that what matters to the League, **matters to you!**

Nominating Committee Report NEW LEADERSHIP METHOD ANNOUNCED

In an effort to share leadership more broadly, the board approved implementing a Steering Committee leadership method. We are permitted to try new leadership methods for a while before changing the bylaws. The slate contains four steering committee people who will perform the duties of the president on a three-month rotating basis and/or as they deem appropriate. We will no longer have the President, 1st VP, and 2nd VP. The net result is one additional person elected to the board by the membership at the annual meeting. We retain the 6 Directors and Secretary and Treasurer. Questions may be directed to Lori Dawson, Nominating Committee chair. Contact information in LWV member directory.

CLIFTON PARK TOWN CENTER

Special League Meeting

Planning Decisions/ Town Concept Concept

There is a new concept in town. Planning, the Town Center, which has generated a great deal of interest in suburban towns lately. Towns, like Clifton Park and Halfmoon, among several others in Saratoga County, grew in large measure along one model following the advent of the Northway fifty five years ago. Many of the malls and buildings built then are now looking at remodeling and reimagining and these towns are examining another model, that of the Town Center Concept, as they make plans for future development.

Clifton Park Town Supervisor Phil Barrett will join us on Tuesday, May 12th, at 7 pm at the Clifton Park Halfmoon Library to share what this concept looks like and how it will change growth and development in his town, especially around the Exit 9 interchange of the Northway. Also with us will be John Scavo, Director of Planning. Along with the Town Center Concept, they will share other projects which Clifton Park will be exploring in the coming years.

The meeting is open to all league members, and to members of the public, who are interested in learning more about this concept. Please join us for a lively conversation about these new planning ideas.

WELCOME NEW AND RETURNING MEMBERS

CONCURRENCE MEETING

On **Tuesday, April 28, at 7:00 PM** in the Susman Room of the SSPL, we will hold a general membership meeting to determine if the League of Women Voters of NYS should update the Delegate Selection portion of the LWVNY 1993 Constitutional Convention position to make it more flexible and to clarify how the board should consider any reforms to the delegate selection process when they decide whether or not to support the proposal for a constitutional convention. It comes up again for a vote in 2017. This is a limited update and Leagues are only being asked to vote to either approve the updated statement or retain the existing statement. Background information and a discussion of the reasons for this requested update can be found on the LWVNY website (www.lwvny.org) homepage under "News and Upcoming Events".

600+ Students Welcome Suffragists Back from the Grave

Thanks to a grant LWV Saratoga received from Soroptomists International of Saratoga County, Sojourner Truth, Elizabeth Cady Stanton and Susan B. Anthony have been paying visits to classrooms across Saratoga County.

Three local women each developed 30 minute one-woman shows (in collaboration with Patricia Nugent and Lezlie Dana, drama coach) to play the parts of SBA, ECS and Sojourner Truth. Each actress is performing 10 times. These first-hand accounts of the battle for women's suffrage also build interest and enthusiasm for voting. The 4th through 8th grade students really connect with the actresses and ask very thoughtful questions.

THE STONE THAT STARTED THE RIPPLE

Patricia Nugent's play, *The Stone That Started the Ripple*, will be performed on Women's Equality Day, Wednesday, August 26 at Skidmore's Filene Hall. This depiction of a modern day conversation between early suffragists has them commenting on current issues from their perspective, mainly in their own words, and with humor. This play was just performed for a large and enthusiastic audience at the Schacht Fine Arts Center at Russell Sage College as a fundraiser for LWV Rensselaer. Plan now whom to invite to this fundraiser for our League in celebration of the 95th anniversary of the 19th Amendment.

VOLUNTEER FOR PARKING CARS AT THE SARATOGIAN

Well, not really. What we really do is collect money from people who want to park their car in *The Saratogian* parking lot and then direct them to an empty parking space. Our night to do this is Friday, May 29. We need volunteers from 4:30 till midnight. If you can help for 2 or three hours please contact Barb Thomas barb.lwv@nycap.rr.com or 518-681-7530 to volunteer. Last year we made about \$600 for the League.

SINGLE PAYER HEALTHCARE

On Tuesday, May 5, 2015 advocates from across New York State will gather in Albany at noon to rally outside the Capitol in support of the *Gottfried/Perkins New York Health Act (A5062/S3525)*. (That's NY's single payer health bill.).

Sponsors Bill Perkins and Dick Gottfried holding sign.

A link to Testimony from Madeline Zevon, chair of LWVNY Healthcare committee, in support of the newest version of the Single Payer Healthcare Bill (A. 5062, S. 3525) is posted on our website.

Members of the LWVNY Healthcare committee are: Anne Burton, Carol Torok-Huxtable and Donna Packard-Mahoney (Rensselaer), Gin Busack, Sarah Liebschutz, Georgia DeGregorio, Katherine Smith and Mary Hussong-Kallen (Rochester), Carol Furman (Schenectady), Patricia Reed, Helen Crawshaw and Donna Dardaris, (Saratoga), Joan Johnson and Rhonda Hungerford (Syracuse), Kathleen Yen, and Rebecca Elgie (Tompkins), Valerie King (Hamptons), Naomi Epstein (Suffolk), Terri Parks (Buffalo).

Why are we concerned with oceans?

- Water plays a major role in the Earth's surface and its climate.
- Water drives storms, transports heat in the oceans and hosts life.
- Oceans contain 95% of the Earth's free water and cover 70% of Earth's surface.
- Oceans provide half of the planet's oxygen.
- More than 40% of global population lives within 62 miles of the coast.

BUDGET MESSAGE

The budget committee met in early March. The committee consists of Bellamy, Steve Koebrich, the treasurer, and myself. We looked over the expenses up to that time. We have crafted a budget that is similar to last year's. Dues income and expenses are down in the new budget as we have lost several members. The rest of the budget is close to last year's. Hopefully we will not have to go in to our reserves. There may be an increase in the State per member payment but we will not know that until June. Donations have been strong this year, so we have increased our budget in that area. Also, we have increased the TBA project to \$2000 as we are going to put on Pat Nugent's play again in August.

WOMEN'S ISSUES ARE MOVING!

A.506, the Trafficking Victims Protection and Justice Act, one of the points of the Women's Equality Agenda (WEA), passed the Assembly on March 16 and is awaiting Gov. Cuomo's signature. The next day a Paid Family Leave Insurance (PFLI) bill providing for 12 weeks of leave passed the Assembly, and a Senate proposal for 6 weeks is reportedly in their budget. Negotiation and lobbying will be needed to make Paid Family Leave law. The Assembly passed **A.6221**, the reproductive rights bill on March 25, but this is the point that the Senate has so far refused to take up. Equal Pay Day is April 14, so the Assembly is poised to pass **A.6075**, the NY Equal Pay Bill, that makes it possible for employees to find out if they are receiving equal pay, when they return from recess the following week. The schedule for the remaining parts of the WEA, and for other bills important to women, is still fluid. Watch on the state League website for Memos in Support and action on these important women's issues.

FUNDRAISER RECALLS FDR AND FRIENDS

Our annual LWVNYSEF FAMOUS PERSON FUNDRAISER, featuring President Franklin Delano Roosevelt, took place on March 14. Sixty eight members and friends were greeted by League President, Donna Dardaris, and enjoyed a tasty breakfast with warm conversation, at the Gideon Putnam.

Then, to much applause, F. D. R. was, wheeled in by member Tim Holmes. The President, festooned in his usual chapeau, and flaunting his long cigarette holder, was convincingly portrayed by actor Gary Stamm. He wrote and presented a program entitled “Five Women—Five Influences”, about the five women closest to, and most influential on the man. The audience was captivated and greatly appreciative of Mr. Stamm’s performance.
