Congratulations, Dora Lee Stanley!

The first Black woman (and LWVSC member) to become the Exalted Ruler of the Saratoga Wilton Elks Lodge

Environmental Justice

Environmental Justice means making sure that communities of every race, color, and income status receive the same protection from environmental and health hazards, and have equal access to the decision-making process about projects and policies impacting their lives to ensure a healthy environment in which to live, learn, and work.

In the Classroom

Representing the League, Barbara Thomas and Patricia Nugent presented the history of women's suffrage and the work of the LWV to Dr. Minita Sanghvi's class on Gender and Political Marketing in the U.S.

Welcome New Members

Membership total as of April 6: 214

Christine Connell Joanne Richardson

Andrea Masters Wendy Steinhacker

Good Trouble on the Journey to Justice

A collage based on the stories of Saratogians (and created by artist Francelise Dawkins) will be on display at our Annual Meeting. Read the stories on our <u>website</u> and see photos of the exhibit in our Flickr <u>account</u>.

This work of art was envisioned and guided to fruition by Linda Gush with a grant from Saratoga Arts.

Students Inside Albany

The 2022 Students Inside Albany Conference is currently being scheduled for May 22-25 at the Hampton Inn in downtown Albany. There is a chance that the Conference may be cancelled depending on the pandemic or if the state Capitol is closed to visitors and the public. We are sending two students: Molly Oravsky (Galway) & Sleska Shrestha (Saratoga Springs).

Famous Person Fundraiser

This event will be held July 30 at Saratoga National Golf Club, 9-11:30am. A breakfast buffet is part of the event. Donor levels will be Hotelier \$75, Abolitionist \$100, and Suffrage Martyr \$125.

Remarkable Women of the Adirondacks Dramatic Portrayals by author Sandra Weber With musician David Hodges

Donations are tax-deductible except for the \$30 value of the breakfast.

In this lively program of portrayals, stories and songs, Sandra Weber presents the wild spirit of Adirondack women. Dressed in period costume,

she delivers dramatic narratives of women such as pancakeflipper **Mother Johnson**, poet/model **Jeanne Robert Foster**, TB patient **Martha Reben**, suffrage martyr **Inez Milholland**, abolitionist **Mary Brown**, and hotelier **Lydia Smith**.

Audience members have commented: "Sandra Weber is a stitch." "I didn't know that women's history could be so

exciting and fun." "Best show I have ever seen. " "Your enthusiasm and passion for these women spreads to the audience and they carry it home in their hearts."

Sandra Weber of Elizabethtown has spent more than twenty years as an author and independent scholar with a focus on the Adirondack Mountains and women's history. Her books include: Breaking Trail: Remarkable Women of the Adirondacks (co-author, Peggy Lynn), Mount Marcy, The Finest Square Mile, Adirondack Roots, and The Woman Suffrage Statue.

Vote411

Village of Ballston Spa Election - March 15th We used the new Vote411 system for the Village of Ballston Spa Elections. All of the candidates participated by providing responses to the Vote411 profile and voter questions. A total of 208 users navigated to the Vote411 page through the League's website ahead of Election Day.

The recorded candidate forums on YouTube:

- Village of Ballston Spa Mayor viewed 372 times up to Election Day
- Village of Ballston Spa Trustee viewed 183 times up to Election Day

1,000 people voted in the Village Elections.

School Board Elections - May 17

We are moving ahead with the School Board Election preparation. Candidate petitions are due on April 18th (April 28th for small city districts). Several candidates have already reached out for instructions on getting their information into Vote411. Thank you to the League's District Liaisons for their continued help gathering the race information. We are targeting the first week of May to publish the School District Races to Vote411.

Primary Elections - June 28th

Pending the outcome of the redistricting process, there are primary elections scheduled for June 28. The League will contact candidates from all parties holding races for inclusion in Vote411.

LWVSC Report on Lobbying

During early March the Advocacy Committee met with our legislators in the NY State Assembly and Senate. Our focus was the LWV NYS prebudget Legislative Packet including 4 topics: Funding elections, *Turn on the Tap* (funding education in prison), Ethics Reform, and Making Voting Easier by eliminating the 25 day voter registration requirement and by adding polling places on college campuses. Our aim was to support the efforts being made by our State League staff in order to have the legislature focus on items that are likely to be considered during this time frame.

The following LWVSC members met with legislators: Francine Rodger, Darnell Rohrbaugh, Carol Glansberg, Mary Lou Classen, Kendra Schieber, Joanna Lasher, Danielle Lepper, Linda McKenney, Kathy Koebrich, Chris Lang, Helen Crawshaw, Pat Partello, Janice Burns, Barb Thomas and Ann Kril. Many of us met with more than one and each visit required a prep meeting as well.

Sessions took place on 3/7/22 with Senator Tedisco; 3/9/22 with Assemblywoman Mary Beth Walsh; 3/10/22 with Senator Daphne Jordan, 3/18/22 with Assemblywoman Carrie Woerner.

After the budget passes, the LWVNYS will review the situation and send us a post budget packet with a different focus, sometime in April. Most of our lobby efforts need to be directed to our legislators during April and May to be effective during this legislative session which ends in June. It is good for other members to join us who want to have a voice or who want to come and learn the process. Please contact Ann Kril at annsockkril@gmail.com.

Get Involved!

Are you wondering how you can be more involved in the League? If you are interested in learning more about any of the following committees and upcoming events, let us know. We are very interested in learning about your interests and we'll help you get started. Please email us at president@lwvsaratoga.org.

The Membership committee needs:

- Chairperson(s) to attract, engage, and retain members.
- Event Coordinator for membership meetings.
- **Volunteer Matchmaker** linking volunteers to their area of interest or expertise.

If you love to meet people and have time to contact our members either face to face or over the phone, this is the ideal place to volunteer your time. We also need a **Communications Technical Assistant** to help with hybrid events that are sponsored through our League. This can be hosting zoom calls or offering technical advice and assistance with live or virtual events.

Book Club

The Book Club will discuss Finding The Mother Tree by Suzanne Simard on Thursday May 12th at 1:30 via Zoom.

We hope to meet in person for lunch on June 9th, the place still to be determined. At that time

we will select our books for next year.

Contact Francine Rodger (aerodger@aol.com) if you would like to attend either meeting and are not on our mailing list. And send your suggestions for next year's books to Francine well before June 9th.

Flag Day Parade

The 53rd Annual Flag Day Parade (organized by the Saratoga-Wilton Elks Lodge #161, under the leadership of Exalted Ruler, Dora Lee Stanley), is scheduled for Saturday, June 11th. The League is planning to march with various social justice groups marching together in the parade under the banner of "One Nation, Indivisible, With **Liberty and Justice for All.**" The idea is that each group would walk with its own banner, but we'd all be in close proximity to one another, and we'd be preceded by a larger banner with the "One Nation, Indivisible, With Liberty and Justice for All" slogan. Linda McKenney (who is in charge) has also arranged for a pickup truck (float, with theme still to be determined) that some members can ride in if they can't walk the distance.

Nominations Wanted!

For Carrie Chapman Catt Award

Given for outstanding and long-standing service to the LWV.

Contact a Member of the Steering Committee by 6pm on May 4 at president@lwvsaratoga.org

Voter Services

By Charlotte Druschel

There are currently four school districts which have requested that we moderate their Candidate Events: Ballston Spa (May 2); Lake George (May 3); Saratoga Springs (May 4) and Burnt Hills/Ballston Lake (May 12).

We will not know the specific candidates or number of candidates until later in April. All of these events will likely be in-person events except BHBL which is planning a video event without an audience.

Both Charlotte Druschel and Mary Sue D'Orizio (Co-chairs of Voter Services) are stepping down from that position. Would you be willing to replace one of them? Training is available.

Where can we make the most impact in registering voters?

We decided to look at percent of registered voters in the 21 municipalities of Saratoga County to see where we should be going to register potential voters.

The places with the lowest percentages were Malta (66%), Milton (67%), Moreau (74%), and Mechanicville (75%). Lest you think the letter M is somehow involved we also have Greenfield (78%), Saratoga Springs (80%) and Halfmoon (82%).

If you live in, or know these areas, and can suggest places we could register voters, and especially if you would like to volunteer to help, please contact Pam King Hall (pkinghall@yahoo.com) or Stacey Lamodi (slamodi@gmail.com) to let them know. We really can use YOUR help.

The League of Women Voters of Saratoga County is an organization fully committed to diversity, equity, and inclusion in principle and in practice.

We'll miss her!

Long-time League member, enthusiastic supporter and donor, Millie Green died April 8 in New Hampshire. Millie had moved to New Hampshire this winter to be nearer one

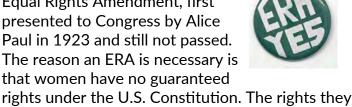

of her sons. She loved her retirement years in Saratoga Springs and was known for her daily walks and stop-by chats. Millie was one of the library's best patrons (and volunteers) and read broadly in history and biography.

We will miss Millie's feisty presence and wonderful sense of humor. She was in tune with what really matters in life - family, friends - and believed in the dignity and rights of all people.

ERA

Our March Meet-Up topic was the Equal Rights Amendment, first presented to Congress by Alice Paul in 1923 and still not passed. The reason an ERA is necessary is that women have no guaranteed

do have can be (and are being) reversed through legislation. There are complicated legal battles ensuing, but we are perhaps closer now than we've ever been. If you'd like more information, or are part of another group that might like a presentation on the topic, please contact Patricia Nugent at keepmakingwaves@gmail.com.

By-Laws Changed!

By-laws Changes for the League of Women Voters of Saratoga County adopted at an April 11 Special Meeting of the Membership:

- Reduces the number of mandated board meetings per year from nine to six.
- Reduces the quorum requirement for annual

- meetings and program change meetings from 20% to 10% of membership.
- Removes the requirement for review of bylaws every two years.
- The new by-laws are located on our website in ABOUT.

Also, at the special meeting we discussed whether or not to concur with two proposed positions, one on Election Administration and one on Voting Rights for the Incarcerated.

Champlain Valley Suffrage

Centennial **Auto Tour**

The culmination of auto tour is a commemoration booklet, printed

in 2022, which has now been distributed to libraries and museums in our area. See it at https://www.champlainvalleywomen.com/ Editors note: Linda McKenney and the League are mentioned frequently in this booklet.

Proposed NEW 4-League Position on Waste

Last year at our Annual Meeting one of the directions to the Board was to update the 4-League Position on Solid Waste. The Board appointed Joanna Lasher to spearhead the update. She enlisted Lenore Reber and Barb Thomas to join with her and members of the other Capital District Leagues to work together to develop an updated position. On Monday, May 16, at 7 pm, the four Leagues will meet together for a zoom presentation on the position and ways it might be used. Then each League will go into a breakout room and discuss whether they concur or not. If only three concur, it will be a 3-League position. This is the proposed position:

Four League Position on Waste

Members of the League of Women Voters in Albany, Rensselaer, Saratoga, and Schenectady Counties agree that effective policies concerning waste are integral to ensuring the clean water, clean air and healthful environment guaranteed in the Environmental Rights Amendment to the New York State Constitution. We also agree that we're embedded in an ecosystem, and that the land, water, air, energy, waste and biota in our ecosystem are dynamically interrelated. We agree that the concept of waste includes greenhouse gases, that waste management practices can themselves emit these gases, and that we urgently need to reduce the production of these gases in society and in waste management in order to preserve and restore the world's climate. We agree that human health and safety, the wellbeing of wildlife, the preservation and restoration of habitat, and the conservation of primary materials such as timber, minerals, ores, and energy are deeply affected by our practices concerning waste. To protect these resources, the Leagues support policies that promote: the reduction of waste, the reuse of products and materials over disposal, and the responsible management of waste that can't be reused. We agree that our ultimate goal is a circular economy with zero waste.

The four Leagues support, first, the following policies aimed at minimizing the production of waste:

- 1. Products and buildings designed to accommodate deconstruction and reuse of component parts;
- 2. The use of durable materials and designs that prioritize longevity in product manufacturing and construction;
- 3. Support for repair, rather than disposal, of products;
- 4. Reduction of single-use plastics and items that cannot be recycled, and promotion of reusable packaging for products;
- 5. Limitation of greenhouse gas emissions and processes that produce them, such as the burning of fossil fuels, excessive fertilizer use, disposal of items containing refrigerants in a way that causes those refrigerants to leak, reliance on landfills for organic waste disposal; and
- 6. Regular monitoring of sources of potential greenhouse gas leaks and speedy fixes of leaks in lines carrying greenhouse gases (such as methane and refrigerants), and reduction of fugitive emissions from solid waste landfills, wastewater treatment plants, and appliances.

We also support the following policies aimed at facilitating the transfer of discarded items and components to entities that can use them:

- 1. The development and strengthening of easy-to-participate-in civic infrastructures for:
 - a. Recycling items to extract useful material for reuse in new products; and
 - b. Collecting, processing, and transferring reusable items to new owners, including excess edible food from restaurants, grocers, and farms to groups addressing food insecurity; and
- 2. The expansion of community-based operations and facilities (e.g., composting, anaerobic digestion, and biochar pyrolysis) that enable communities to create useful products out of non-toxic organic waste, and the diversion of non-toxic organic waste from landfills (where it can produce fugitive methane emissions), towards beneficial use through these processes.

For items that cannot be reused or redistributed, the four Leagues support waste management policies that promote:

- 1. An end to the processing of hazardous waste in ways that can spread its toxicity, including the use of incineration for waste that contains toxins;
- 2. Careful recovery, processing, and safe disposal of hazardous materials in the waste stream, including in biosolids and digestate byproducts of sewage treatment and biodigesters, and at concentrated animal feeding operations (CAFOs);
- 3. Careful capture and safe disposal of <u>greenhouse gases</u>, including refrigerants from products at time of disposal, and methane and nitrous oxide from large producers, including industrial sites, landfills, and CAFOs;
- 4. Corporate responsibility with public oversight for the end-of-life processing of products and packaging, including all related costs;
- 5. Limited miles of waste transport from its source to where it is processed and stored, with communities encouraged to take responsibility for their waste by, as much as possible, locating needed facilities within their boundaries;
- 6. Collaboration among communities in the siting of regional high-tech waste management facilities as needed to support reuse and recycling;
- 7. Environmental Justice in the siting of waste facilities and provision of services; and
- 8. Easy resident access to legal and responsible waste disposal methods.

To reinforce these efforts, we also support:

- 1. Green procurement policies that boost the market for products made with recycled, recyclable, and non-toxic deconstructable content;
- 2. The expansion of opportunities to purchase items with either reusable, returnable, or purchaser-provided packaging;
- 3. Adequate monitoring and enforcement of waste regulations;
- 4. A rapid transition away from fossil fuels to renewables, and away from high global warming potential (GWP) refrigerant gases to low GWP refrigerant gases;
- 5. The transformation of wastewater treatment plants from simply waste processing centers to facilities that emphasize the capturing of beneficial products (e.g., biogas) while ensuring removal of hazardous waste before returning to the environment;
- 6. Reduction in the use of CAFOs and promotion of more sustainable farming methods;
- 7. Opposition to corporate secrecy about the toxicity of their products and processes; and
- 8. The embedding of sustainability principles into public information campaigns, school curricula and licensure certification programs.

The four Leagues support direct involvement of citizens and local governments at all stages of planning, development, operation, and monitoring of waste management plans and projects. The consumer should be educated to exercise care in purchasing, to demand quality products, to participate in reuse policies, to recycle, and to resist throw-away cultural practices. Standards for operation of these facilities should be established and enforced by the public sector, whether actual operations are conducted by private or public entities.

Nominating Committee Report

Submitted by: Carol Glansberg, Susan Hamlin, Anne Needham and Patricia Nugent (chair).

After polling current Board members and other active leaders in our organization, we prioritized and contacted ten (10) current LWV members to inquire as to interest in serving on the board. We were delighted to have five (5) enthusiastic acceptances, 50% of those contacted. (Note: Two initial acceptances were withdrawn after our slate was compiled.) We believe our current political climate - a sense of needing to do SOMETHING - aided us in our mission, as did support for the LWV's work. We are proud to present this slate of officers and directors for our members' consideration.

Nominations:

Steering Committee Member (6/22-6/24): Susan Hamlin

Treasurer (6/22-6/24): Mandy Herrington

Board members (6/22-6/24): Charlotte Druschel, Joanna Lasher, Patricia Partello, Quency Rene

2023 Off-Board Nominating Committee Members: Lori Dawson (Chair), Susan Ransom, Stacey Lamodi

Continuing Officers and Board Members (6/21-6/23):

Steering Committee: Anne Marie Pendergast, Monica Seebode

Secretary (6/21-6/23): Elizabeth Rossi

Board members (6/21-6/23): Carol Glansberg, Deb Peck Kelleher, Pamela King-Hall

Board members recommended for appointment by the Board (6/22-6/23):

Chris Alexander, Almeda Riley

Annual Meeting

Mark your calendar: Our Annual Meeting will be held in the Columbia Pavilion in the Spa State Park, 5-8pm on Wednesday, June 15. On the agenda for the meeting is:

- socializing with food and drink details still being worked out
- report from the Board
- elections
- adoption of a budget
- adopting or dropping each local position
- direction to the Board
- presentation of the Carrie Chapman Catt Award

Proposed Program (also known as Local Positions): Most of our positions can be found at https://www.lwvsaratoga.org/positions. In addition we will need to readopt the new 4-League Waste Position (assuming it is concurred with on May 16).

Mark your

Budget Message

met in early March. Linda was not able to join us but reviewed the budge The Budget Committee, consisting of Steve Koebrich, Sue Ransom, Linda worked hard and came up with the new format for the budget. We hope understand it better this year.

All the categories in the income portion stayed the same except for separated to show exactly how much we have in that account, which is he Community grants which we increased to \$1600. The Education Fund lir

Most of the categories in the expense portion of the budget remain same. Two lines were added upon the request of board members: 10g Cc for advertising & 10h Equipment (which was requested to buy equipment paid for by a grant).

Mary Lou Classen (Budget Committee Chair)
